In-home visit from a nurse practitioner?¹ Take advantage of it.

There's so much to take advantage of when you're a UnitedHealthcare Medicare Advantage member. Our plans—including the only ones with the AARP® name—come with extras. Like HouseCalls®, a 45-minute health and wellness exam in the comfort of your own home. It's just one of the many ways we make it easier for you to get the care you need when you need it.

Go ahead, take advantage.

¹Limitations apply. Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract. Enrollment in the plan depends on the plan's contract renewal with Medicare. AARP encourages you to consider your needs when selecting products and does not make specific product recommendations for individuals. UnitedHealthcare Insurance Company pays royalty fees to AARP for the use of its intellectual property. These fees are used for the general purposes of AARP. AARP and its affiliates are not insurers. You do not need to be an AARP member to enroll.
